New Business

Special meeting was held previous to this regular meeting.

1. With the gate locked to the range; the trap machine was found running, damaged and most of the clays shot up. No money in the collection box, no sign in sheets used. After much discussion it was decided to
 - a.) temporarily shut down the electronic/automated trap machine, b.) change the locks on the trap shed c.) make the hand thrower available to members, d.) members bring and use their own clays until a permanent plan is in place for the automated trap equipment.

After much discussion, it was decided by the board to:

- a. **The board has decided, because of the damage done to the TRAP equipment and clays, all members who wish to shoot clays and use the trap equipment must be recertified with our equipment. The locks have been changed for access to the trap shed/house. Locks will be changed on a more frequent basis.**
 - b. **To have access to the new locks, you must go through the training again. Your prior training no longer counts. Our first training is this Saturday before the 3-gun shoot at 9:30 a.m. at the range before the 3-Gun Shoot.**
 - c. **Please e-mail me to schedule additional training dates at karczynskid@yahoo.com. As soon as I hear from our members that want the training, we will schedule dates that will hopefully meet your schedules. Sorry for the inconvenience and thank you for your patience in this matter.**
2. Troutarama is in July, Bud should sell Guitar tickets at car show there.
 - a. Harold asked for a motion to pay \$100 to the Troutarama committee for our name on the banner. Bud made a motion to buy a spot on the banner. Dennis Seconded the motion. All voted in favor of buying the ad on the banner. Motion passed.

Harold made a motion to approve spending \$100 on food for Ace Hardware & \$100 for Dublin employees. Dennis seconded the motion. All voted in favor to approve the motion. Motion passed.
 4. Dave & John said that GEO & the Sheriff's department agreed on the pistol range enclosure. The Groulx brothers will begin to move the berm and excavation work. Each enforcement agency will have a shed by the pistol range. It was discussed and agreed to spend the \$7500 grant and make an enclosure big enough for the organizations.
 5. Harold investigated, received a quote for gravel needed for the range. Previously it was approved to purchase gravel, however, the minimum amount now is a pup trailer load. It is crushed concrete and the cost is \$2400 for a full pup truck, approximately 26 – 30 yards. This load will be some that is already approved, plus, additional gravel to meet the minimum. Kelly made a motion to accept the quote and purchase the gravel. Dennis seconded the motion. All voted in favor. The motion passed.
