2. Dave Weronko & Kelly said raffle tickets are being sold on course of previous years. Discussion again on going online with ticket sales. Dennis to send an email out to members to see if we could find a lead person with technical skills to take it on for set up.
3. Bud – Golf outing was a success. We had 99 players. Suggested having breakfast of some kind before the outing and not lunch. Need more help from LCSC next year. Dennis is to create workstations for next year for people to sign up and work.
4. Dave, John & Pat said the excavation status is done and in good shape. Pat Groulx will add more sand and get gravel for parking area. Pat said he talked with licensing department, and we are classified private commercial. Pat is contacting Shawn James in reference to the plans Shawn had drawn up for the building.
